

ANNUAL REPORT OF THE ACADEMIC YEAR 2019-2020

*"May be there is a road ahead of it,
May be there is a new world down the road,
Walking forth is the only plight,
Because we didn't come this far to come this far only"*

A heart filled with aspirations is all that we knew since the very existence of the school and that's what gave us the ambition of marching forward till excellence is achieved in all our endeavours.

Education is an opportunity to open children's hearts and minds to the unbelievable wonders of the universe. A time to pause, reflect and regenerate. I wish to begin with our spectacular performance on the academic front.

This report is comprised of the achievements made during the year gone by and at the same time set the path for greater accomplishments in the years to come

I am sure that in the coming years we shall successfully channelize the halo of the young minds to explore the best of their abilities.

Towards the end, I thank the supportive management whose continuous support to our ideology of education has enabled the school to come this far. Teachers and entire staff members also deserve applause for their tireless efforts in implementing the route map imparting quality education here.

I also extend my heartfelt thanks to the parents of our students who have shown unflinching faith in us by giving us the profound opportunity to transform their children into truly useful citizens of the future world.

With that, let us foresee a world of universal singularity where our children are going to be the propellant of this change and the world shall be a beautiful place to live in!!!

Thank you very much!!!!!!!!!!!!!!!
